

Digital Literacy 101

AKA Computer Basics

Tuesday or Thursday from 8:30am to 10:30am

- | | | |
|---|---|--|
| • Figure out what is a “computer” from everyday uses to the more obscure. | • Learn what the basic components of a computer are and what they do. | • Learn about all of the symbols and icons you’ll see on a computer. |
|---|---|--|

- This **FREE** course is **hands-on** and **instructor-lead**.
- Learn the basics needed to meet job market standards.
- Determine your digital literacy with our in house assessment.
- Just call **(702)-367-4348** and speak with your case manager to be scheduled for the next available class.

Auxiliary aids and services are available upon request to individuals with disabilities. The TTY/TDD access number is (800) 326-6868 / Nevada Relay 711.
